

### Aardvark in the Park

There's a large dark aardvark in the park  
They say he's missing from the zoo  
The police are looking high and low,  
They haven't seen him, have you?  
Oh I'll tell you the reason,  
Because it's aardvark mating season!  
When an aardvark makes a date  
You know he slips right through that old zoo gate  
So if you see two aardvarks playing in the park  
Don't upset their apple cart.  
Why?  
You are not a spy, you're not the FBI,  
And you should never break an aardvark's heart!

The alligator is my friend, he can be your friend too  
If only you would understand that he has feelings too \*

The alligator laughs and plays, he never sings the blues  
I'd rather have him on my shirt than have him for my shoes \*

The alligator ate my friend, he can eat your friend too,  
If only you would understand that he gets hungry too \*

### All My Life's a Circle

All my life's a circle,  
Sunrise to sundown.  
The moon rolls through the evening  
'Til the daylight comes around.  
All my life's a circle,  
But I can't tell you why  
Seasons spinning 'round again  
The years keep rolling by.

### Animal Song

Animals are lots of fun  
They're big and round and hairy  
Some have teeth and some have claws  
And some are rather scary.  
And I would go to the animal zoo

With lots of money to buy them  
And I would bring one home to you  
If I knew how to fly them.  
Dum de dum de dum dum dum

Lions they are lots of fun  
They're big and round and furry  
And I would bring one home to you  
Bring one home in a hurry  
And I would go to the African plain  
And there I'd try to trap him  
And I would bring one home to you  
If I knew how to wrap him.  
Dum de dum de dum dum dum

Elephants are lots of fun  
They're big and round and pleasant  
And I would bring one home to you  
As an elephant present.  
And I would go to the animal zoo  
With lots of peanuts to bribe him  
And I would bring one home to you  
If I knew how to hide him.  
Dum de dum de dum dum dum.

Polar bears are lots of fun  
They're big and round and real white.  
And I would bring one home to you

Bring one home on a plane flight.  
And I would go to the north pole  
And there I'd try to lure him  
And I would bring one home to you  
If I knew I wouldn't hurt him.  
Dum de dum de dum dum dum.

Wallabies are lots of fun  
They're big and round and jumpy.  
And I would bring one home to you  
Just so you could have comp'ny  
And I would go to Australia  
And there I'd try to tag him.  
And I would bring one home to you  
If I knew I wouldn't gag him.  
Dum de dum de dum dum dum

### Announcements

Announcements, announcements, announcements

A terrible death to die, a terrible death to die  
A terrible death, a terrible death,  
A terrible death to die

Make announcements short and sweet,  
Short and sweet, short and sweet.  
Make announcements short and sweet,  
'Cause they are boring.

\_\_(name)\_\_ has another one, another one, another one  
\_\_(name)\_\_ has another one, she has them all the time.

### Apple Trees

Underneath the rising moon, silver mists are dancing  
Soft the lilac's sweet perfume, fills the night entrancing  
White and ghostly in the gloom,  
Stands the apple trees in bloom  
Apple trees in bloom, apple trees in bloom

(a round to be started after the first line)

### The Ash Grove

Down yonder green valley where streamlets meander  
When twilight is fading I pensively rove  
Or at the bright noon-tide in solitude wander  
Amid the dark shades of the lonely ash grove  
'Tis there where the blackbird is cheerfully singing  
Each warbler enchants with his notes from the tree  
Ah, then little think I of sorrow or sadness  
The ash grove entrancing spells beauty for me

### Auld Lang Syne

Should old acquaintance be forgot  
And never brought to mind,  
Should old acquaintance be forgot  
In days of Auld Lang Syne  
For Auld Lang Syne, my dear  
For Auld Lang Syne  
We'll take a cup of kindness yet,  
In days of Auld Lang Syne

(To be sung with "I Understand")

### Austrian Yodeling

Once an Austrian went yodeling  
On a mountain so high.  
When along came a cuckoo bird  
Interrupting his cry:

Oh da la kiki, oh da la cuckoo cuckoo  
Oh...

I'm bringing home my baby bumble bee  
Won't my mommy be so proud of me  
I'm bringing home my baby bumble bee.

I'm squishing up my baby bumble bee  
Won't my mommy be so proud of me  
I'm squishing up my baby bumble bee  
Ewww! It's all over me!

I'm licking up my baby bumble bee  
Won't my mommy be so proud of me,  
I'm licking up my baby bumble bee.  
Ugh, I don't feel so good!

### Baby Day

Why sleep when the day has been brought up by the sun?  
From the night, when the light's gonna shine on everyone  
Why sleep when sleep only closes up our eyes?  
Why sleep when we can watch the sun arise? \*

\*We were meant to see the beginning of the day  
I believe it was planned to lift us this way  
Take you an apple and take you a song,  
And watch the baby day be born\*

Quite, quite, said I, that's all very well to say  
When I woke at the dawn, to your singing yesterday  
I couldn't see the light 'cause the dark was in my skies  
I couldn't see the sun 'cause the sun was in my eyes \*

“Why sleep?” I heard and I followed it today,  
To the top of the hill, where the wind-songs play  
I know it like I heard it, why I heard it who knows why  
Why sleep when we can watch the sun arise?

We were meant to see the beginning of the day  
I believe it was meant to lift us this way  
Take you an apple and take you a song  
Take back an answer to something gone wrong  
Take you some music and take me along  
And watch the baby day be born

### Baby Duck

### Backwards Song

I walked up the door and opened the stairs  
Said my pajamas and put on my prayers  
Turned off my bed and jumped into the light  
All because you kissed me, goodnight  
When I woke up in the morning I scrambled my shoes  
Shined up and egg and toasted my shoes  
Buttered my tie and had another bite  
All because you kissed me, never could resist me  
All because you kissed me, goodnight

### Barbie

By: Dave Ends

Chorus:  
And some girls play with Barbies,  
And some boys play with Ken,  
But me I'd rather grab a sewing needle  
And start again,  
'Cause the more you play with dolls,  
The more you wanna look like them,  
But if I make a doll of me,  
I wanna be exactly how I am.

Just cause some boys prefer Barbie,

And some girls look more like Ken,  
Besides it's overrated to have plastic friends,  
Maybe there's a reason why fair tales  
Take place in a land so far-far-far away-ay-ay..

Chorus

### Barges

Out of my window, looking in the night  
I can see the barges' flickering lights  
Silently flows the river to the sea  
And the barges do go silently \*

\*Barges, I would like to go with you  
I would like to sail the ocean blue  
Barges, are there treasures in your hold?  
Do you fight with pirates, brave and bold?\*

Out of my window, looking in the night  
I can see the barges' flickering lights  
Starboard shines green and port is glowing red

But I must stay beside my window, dear  
As I watch you sail away from here

Before they're forever banned?\*

The answer is blowin' in the wind.\*

Before he can hear people cry?  
Yes'n how many deaths will it take till he knows,  
That too many people have died?\*

How many years can a mountain exist  
Before it is washed to the sea?  
Yes'n how many years can some people exist  
Before they're allowed to be free?  
Yes'n how many times must a man turn his head  
Pretending that he just doesn't see?\*

\*Canoeing in the wind, feeling free  
Just a sunset between you and me  
There are so many things I want to say  
Before they forever slip away\*

Sharing out thoughts and feelings  
Life was young and so were we  
Talking together with special looks  
That only friends can see \*

Memories of a warm meadow  
Where we laughed and played all day  
That night we both got homesick  
And we tried to run away \*

We vowed we'd be together  
When we finally could be staff  
Making friendship bracelets of leather  
Just us sharing a laugh \*

Some people just don't understand us  
They can't accept us for who we are

Laughter's our way of expressing ourselves  
It's like singing with a guitar \*

Once more I want to run barefoot  
In the dew sprinkled land I love  
They say we're too old to be children  
But so are the stars above  
Yes so are the stars above

When I talked with you beneath such stars  
We spoke of life and magic and love  
While the stars twinkled softly above \*

'Twas then that our friendship grew  
When I looked at you and then I knew  
Two kindred souls had wandered so far  
To meet each other here beneath the stars \*

Catch the Wind  
(Donovan Leitch)

In the chilly hours and minutes  
Of uncertainty I long to be  
In the warm hold of your loving mind  
To feel you all around me and to  
Take your hand along the sand  
But I may as well try and catch the wind

When the sun has paled the sky I want to  
Hide away behind your smile  
Everywhere I look your eyes I'd find  
For me to love you now would be the  
Sweetest thing, 'twould make me sing  
But I may as well try and catch the wind

When the rain has hung the leaves with tears I  
Want you hear to quell my fears  
Help me chase all my woes away  
Standing in your heart is where I  
Want to be, I long to be  
But I may as well try and catch the wind

Meeting new folks left and right...  
We'll all be friends before the night, Go!

Swimming, sailing 'neath the sky...  
Feeling the ultimate natural high, Go!

Round the campfire warm and bright...  
Sharing dreams all through the night, Go!

Counting stars and catching "z's"...  
Girl Scout Camp is ecstasy, Go!

We change the world\*

Friends from everywhere  
We all make the difference,  
When we show the world we care  
The Girl Scouts are our family,  
And they show us what we can be  
And I believe, together, we change the world \*

In America, we have so much to give  
To our sisters around the world  
Who are struggling just to live  
Light the light and do our share,  
Reach out your hand and someone's there  
And I believe, together, we change the world \*

## Chocolate Chip Cookies

Chorus:

Chocolate chip cookies, you gotta have more,  
You can bake 'em in the oven or  
Buy 'em at the store  
But whatever you do, have 'em ready at the door  
And I'll love you till I die

You can't eat one, you can't eat two  
Once you start munching, there's nothing left to do  
But to finish the plate and to eat the crumbs too  
And go and find some more  
Boom boom boom . . .

Chorus

Made of butter, sugar, and flour,  
You put 'em in the oven about a half an hour-  
But the thing that gives them  
Their magical power  
Is the chocolate chips inside  
Boom boom boom....

Chorus

When I die, I don't want wings,  
A golden halo or a harp that sings  
Just give me a book, a fire, and  
Someone to bring me chocolate chip cookies all day.  
Boom boom boom . . .

Chorus

## The Circle Game

(Joni Mitchell)

Yesterday a child came out to wonder  
Caught a dragonfly inside a jar  
Fearful when the sky was full of thunder  
And tearful at the falling of a star \*

\*And the seasons, they go round and round  
And the painted ponies go up and down  
We're captive on a carousel of time  
We can't return, we can only look  
Behind from where we came  
And go round and round and round in the circle game\*

Then the child moved ten times round the seasons  
Skated over ten clear frozen ponds  
Words like "when you're older" must appease him  
And promises of someday make his dreams \*

Sixteen springs and sixteen summers gone now  
Cartwheels turn to car wheels through the town  
And they tell him "Take your time it won't be long now  
Till you drag your feet to slow the circles down" \*

Years spin by and now the child is twenty  
Though his dreams have lost some grandeur coming true  
There'll be new dreams, maybe better dreams and plenty  
Before the last revolving year is through \*

### Circle the Earth

I circle the earth (clap twice)  
I circle the earth from the mountains to the sky  
From the mountains to the sky  
Wearing my long wing feathers as I fly

(This is a round to be started after the first line)

### Climbing

The road is rough and the way is often steep,  
But inside yourself there's a promise you can keep  
When you reach the top the view is worth the climb  
All the stumbling and the pitfalls seem very far behind

Chorus:

Just keep your eyes looking at the sky  
And there'll never be a night you can't reach  
Climb to the clouds, raise your voices out loud  
And show the world the joy of being free  
When you climb

We've climbed this far but our climbing's just begun  
And now we know that climbing can be fun  
There's a lot to share and it's time to say goodbye  
But we'll always have the memory of how we climbed so  
high

Chorus

### Cockles and Mussels

In Dublin's fair city, where girls are so pretty  
I first set my eyes on sweet Mollie Malone  
As she pushed her wheel barrow,  
Through streets broad and narrow  
Crying cockles and mussels alive, alive, oh! \*

\*Alive, alive, oh! Alive, alive, oh!  
Crying cockles and mussels, alive, alive, oh!\*

She was a fishmonger, but sure 'twas no wonder  
For so were her father and mother before  
And they each pushed their wheelbarrow  
Through streets broad and narrow  
Crying cockles and mussels alive, alive, oh! \*

She died of a fever, and no one could save her  
And that was the end of sweet Mollie Malone  
Her ghost wheels her barrow  
Through streets broad and narrow  
Crying cockles and mussels alive, alive, oh!

### Come and Go

Come and go with me today  
We will sail across the bay

(a round with a high and low part)

### Come Follow

- 1.) Come follow, follow, follow,  
Follow, follow, follow me
- 2.) Wither shall I follow, follow, follow  
Wither shall I follow, follow thee?
- 3.) To the greenwood, to the greenwood  
To the greenwood, greenwood tree

### Come Sisters Come

Edge of the night  
A campfire's light  
Come sisters come

Magic of song,  
A place to belong  
Come sisters come

Warmth of a fire,  
Warmth of a friend  
Come sisters come

And when days have past  
Through the memories that last  
Sisters come back again

(a round to be started after the first stanza)

### Crawdad Song

You get a line, I'll get a pole, honey  
You get a line, I'll get a pole, Babe  
You get a line, I'll get a pole,  
We'll go down that crawdad hole,  
Honey, oh Babe, of mine

See that crawdad struttin' around, honey  
See that crawdad struttin' around, babe  
See that crawdad struttin' around,  
Thinks he's king of that crawdad town  
Honey, oh Babe, of mine

Whatcha gonna do when the water runs dry, honey  
Whatcha gonna do when the water runs dry, babe  
Whatcha gonna do when the water runs dry,  
Sit right down and have a crawded fry  
Honey, oh babe, of mine

Crawdads kinda turn me on, honey  
Crawdads kinda turn me on, babe  
Crawdads kinda turn me on,  
Think I've been here way too long!  
Honey, oh babe, of mine  
(first verse, part of the Robbinswold Harmony)

### Crazy Elephant

There was a crocodile, an orangutan  
And an eagle flying, and a northern pike  
A bunny, a beaver, a crazy elephant  
Na-na na na na, Na-na na na na

### The Lady and the Crocodile

She sailed away on a sunny summer day  
On the back of a crocodile  
'You see,' said she, 'he's as tame as he can be,  
and I'll ride him down the Nile!'  
The croc winked his eye as she waved them all goodbye  
Wearing a happy smile  
At the end of the ride, the lady was inside  
And the smile was on the crocodile!

### Daisy On My Toe

Perty daisy on my toe  
It is not real, it does not grow  
It's just a tattoo of a flower  
So I look neat taking a shower  
It's on the second toe of my left  
A stem and flower but there's no root  
(Cause that wouldn't look good!)  
Perty daisy on my toe  
My right foot loves my left foot so

### Darling Won't You Wait

Darling won't you wait, won't you wait, won't you wait  
Darling won't you wait for me (2x)

Should another love come along, come along  
Simply tell her you're not free  
Send her on her way, on her way, on her way  
Darling won't you wait for me

Oh my love, some of us I know are bound to die  
Hold me close, kiss me once again before we say good-bye

### Devoted to You

Darling you can count on me, Till the sun dries up the sea  
Until then I'll always be, Devoted to you  
I'll be yours till endless time, I'll adore your charms sublime,  
Guess by now you know that I'm, Devoted to you  
I'll never hurt you, I'll never lie, I'll never be untrue  
I'll never give you reason to cry,  
I'd be unhappy if you were blue  
Through the years my love will grow, Like a river it will flow  
It can't die because I'm so, Devoted to you

### Dickey Bird

High on a tree a dickey bird  
\*Bim-sala-bim-bam-ba-sala-do-sala-dim\*

Below her sat a furry black \*  
Below her sat a furry black cat  
She said, "For dinner, I shall have \*"

Then all at once the dickey bird \*  
Then all at once the dickey bird flew, she flew,  
She flew, she flew, she flew, She flew!

The Doughnut Song

Well I walked around the corner and I walked around the  
block  
And I walked right into a Doughnut shop,  
And I picked up a doughnut and I wiped off the grease,  
And I handed the lady a five-cent piece.  
Well, she looked at the nickel and she looked at me and  
She said "Kind sir you can plainly see,  
There's a hole in the nickel and it goes right through,"  
And I said, "There's a hole in the doughnut too!  
Thanks for the doughnut, So long!"

Down by the Banks

Down by the banks of the hanky-panky  
Where the bullfrogs jump from bank to banky  
With an eeps, ipes, opes, ops,  
And they ease off the lily with the kerplop!

Down by the Bay

Down by the bay, where the watermelons grow  
Back to my home, I dare not go  
For if I do, my mother will say,  
"Have you ever seen a whale, with a polka-dotted tail  
Down by the bay?"

(a repeat song with such verses as fox wearing some socks,  
etc.)

Do Your Ears Hang Low

Do your ears hang low, do they wobble to and fro?  
Can you tie 'em in a knot? Can you tie 'em in a bow?  
Can you throw them o'er your shoulder like a continental  
soldier?  
Do your ears hang low?

Do your ears stick out, can you waggle them about?  
Can you flap them up and down as you fly around the town?  
Can you shut them up for sure when you hear an awful bore?  
Do your ears stick out?

Do your ears stand high, do they reach up to the sky?  
Do they hang down when they're wet,  
Do they stand up when they're dry?  
Can you semaphore your neighbor with the minimum of  
labor?  
Do your ears stand high?

A Duck Can't Sit on a Log

Oh a duck can't sit on a log  
Cause he hasn't got toes on his feet  
And a fish can't swim in the sea like a bird  
Cause he hasn't got a waterproof, hasn't got a waterproof  
Hasn't got a waterproof seat.

Duck Girl

Oh I'm a lone duck rover from out in Montana  
Round up them duckies and drive 'em along  
To a flooded corral where they bulldog and brand them  
Mosey on home just a-singin' this song \*

\*Singin' quack-quack-yippee-ay  
And quack-quack-yippee-o  
Get along little duckies, get along real slow  
It's dirty and smelly and it really don't pay  
But I'll be a duck girl 'til the end of my day\*

On Saturday nights I ride into town  
On a short-legged pony with my hat pulled way down  
But the boys don't like duck girls,  
And I can't figure out why  
No cowgirl could be more romantic than I \*

There's danger, adventure, and romance I know  
From a wild-duck stampede to a duck rodeo  
But there's loneliness too and it cuts to the bone  
When you smell like duck feathers you're always alone \*

Dum Dum Da Da

Dum dum da da

Elephant So Elegant

Have you seen what's in the sky tonight  
It's something grey and big, it's riding on a bike  
It is an elephant, she is so elegant  
She has a trunk in front, a tail behind

Epo

Oh epo-i-tai-tai-ay  
Oh epo-i-tai-tai-ay  
Oh epo-i-tai-tai  
Epo-i-tookie-tookie  
Epo-i-tookie-tookie-ay

Et On Pagaie

Et on pagaie, on pagaie  
Mais ou t'as mis la pagaie?

(a repeat song)

### Fishing On a Bright Sunny Day

Have you ever been fishing on a bright sunny day  
With all the little fishies swimmin' up and down the bay  
    With your hands in your pockets,  
    And you pockets in your pants  
And all the little fishies doing the hoochie-coochie dance  
    Tra-la-la-la-la, tra-la-la-la  
    With your hands in your pockets  
    And your pockets  
    in your pants  
And all the little fishies doing the hoochie-coochie dance

### Flicker

The flicker of the campfire, the wind in the pines  
The moon in the heavens, the stars that shine  
A place where people gather, make friends of all kinds  
A place where all man's troubles are always left behind \*

\*So give me the light of the campfire, warm and bright  
And give me some friends to sing with, I'll be here all night  
Love is for those who find it, I've found mine right here  
Just you and me and the campfire, the songs we love to sing  
    Da-dum, da-da-da-da-da-da-da-dum  
    Bah-da-da-dum  
    Da-dum, da-da-da-da-da-da-da-dum  
    Bah-da-da-dum\*

Green are the valleys, sweet is the clover  
Gone are the cold winds, forever none  
The roses now are blooming, the lake is so blue  
The sun above is setting, above our lives so new \*

The peacefulness of the silence of night  
The sun in the morning shining so bright  
The place where campers gather, making friends for all times  
A place where city troubles are always left behind  
I know a place where no one ever goes  
There's peace and quiet, beauty and repose  
It's hidden in a valley, beside a mountain stream  
And lying there beside the stream I find that I can dream  
    Only of things of beauty to the eye  
    Snow peaked mountains, towering in the sky  
It's then that I know god made this world for me

Then ye shall thy death of cold...

Then we shall have to bury thee...

Then worms shall come and eat thee oop...

Then dukes (ducks) shall come and eat oop worms...

Then we shall come and eat oop dukes...

Then we shall have our loved ones back...

There is a moral to this tale...

Don't go a-courtin' Mary Jane...

Dig a duck, dig a geoduck, dig a duck a day  
Dig a duck, dig a duck, dig a geoduck  
Dig a duck, dig a geoduck, dig a duck a day\*

Well it takes a lot of luck, and a certain kind of pluck  
Just to get around the muck, just to get a geoduck  
'Cause it doesn't have a front, and it doesn't have a back  
And it doesn't know a Donald, and it doesn't go quack \*

### The Gift

I have a little present here for you  
Inside this tiny bottle so very small and blue  
Please do not uncork it, simply put it on away  
For inside there lies a summer's day  
Put it on away

I'd be pleased if you did not ask me why I gave this gift to  
you  
I don't know myself, did it on a whim,  
As the thought came running through  
I just want to make you happy in a summertime sort of way  
And I thought you might like your own summer's day  
Put it on away

Can you read the writing on this tiny bottle's walls  
I know that it's quite small, but I can read it all  
It says, "She who is a-reading me is a-lookin' right at my  
side,  
And might be sort of interested at what lies inside.  
There'll be one breath of a butterfly, and one ray from the sun

And lots and lots of laughter from little children's fun."

Please do not uncork it, or everything'll get away

And I want you to have your own summer's day

Put it on away

Happiness runs in a circular motion  
Love is like a little boat upon the sea  
Everybody is a part of everything anyway  
You can have it all if you let yourself be  
Happiness runs, happiness runs  
Happiness runs, happiness runs

## Harriet Tubman

(Walter Robinson)

One night I dreamed I was in slavery

'Bout 1850 was the time

Sorrow was the only sign

Nothing around to ease my mind

Out of the night appeared a lady

Leading a distant pilgrim band

"First mate," she cried pointing her hand,

"Make room aboard for this young woman" \*

\*Saying, Come on up, I've got a lifeline

Come on up to this train of mine

Come on up, I've got a lifeline

Come on up to this train of mind

She said her name was Harriet Tubman

And she drove for the Underground Railroad\*

Hundreds of miles, we traveled onward

Gathering slaves from town to town

Seeking every lost and found

Setting those free that once were bound

Somehow my heart was growing weaker,

I fell by the wayside sinking sand

Firmly did this lady stand,

She lifted me up and took my hand \*

Who are those children dressed in red?

They must be the ones that Moses led.

Who are those children dressed in red?

They must be the ones that Moses led... \*

## Head and Shoulders, Baby

Head and shoulders baby, 1,2,3 (2x)

Head and shoulders, head and shoulders,

Head and shoulders baby, 1,2,3

*(touch head and shoulders each time)*

*Other verses: Knees and toes (touch knees and toes)*

*Shoot the stars (pretend to shoot the stars)*

*Kick the can (kick and imaginary can)*

*Round the world (make hips go in a circle)*

(to be sung in a circle with everyone clapping their hands  
then the hands of the person next to them)

## Herman the Worm

Sittin' on a fence post, chewing my bubblegum

(chew, chew, chew, chew)

Playin' with my yo-yo, Woo-Hoo

When along came Herman the worm

And he was THIS big

And I said, "Herman, what happened?"

And he said, "Duh, I ate my \_\_\_\_\_"

(Fill in the blank with mother, sister, father, cousin, etc. and  
Herman gets bigger each time, until finally, "Duh, I burped.")

## Hey, Ho

Hey, ho, nobody home

Meat, nor drink, nor money have I none

Yet still I will be merry

Hey, ho, nobody home

(pretty in a round with Rose and Hey Poor Bird)

### Hey, Little Child

\*Hey, Little Child, where you gonna run to?  
Ho, Little Child, where you gonna run to?  
Hey, Little Child, where you gonna run to?  
All on a summer's day  
Hey, hey, hey...\*

I ran to the trees, the trees said grow with me  
I ran to the trees, the trees said grow with me  
I ran to the trees, the trees said grow with me  
All on a summer's day  
Hey, hey, hey... \*

Other verses: stars/dance, wind/blow, moon/shine,  
clouds/float, etc.)

### Hey Poor Bird

Hey poor bird  
Take thy flight  
High above the shadows  
Of this dark night

### The Hills (a grace)

The hills in their glorious height  
Surround us by day and by night  
Sing praise to the hills

### Hey Robbin

By Meaghan Leferink Summer 2010

Hey Robbin, I hear the waves calling your name  
Hey Robbin, here no day is exactly the same  
Hey Robbin, this is a place to stake a claim  
So come out by the water and make your claim to fame

Hey Robbin, I hear the forest singing a song  
Hey Robbin, I think it want you to sing along  
Hey Robbin, no song you sing can be wrong  
So come out to the forest and find where you belong

Hey Robbin, I hear the firelight's call to you  
Hey Robbin, nights like this are few  
Hey Robbin, look up into that dark deep blue  
Then look down around you and see those friendships true

Hey Robbin, live your life out in the wild  
Hey Robbin, feel the days that are mild  
Hey Robbin, look through the eyes of a child  
Then look back at out times together and  
Remember each time you smiled  
Then look back to Camp Robbinswold  
And remember each time you smiled

### Hippopotamus Song

What can make a hippopotamus smile?  
What can make him walk for more than a mile?  
It's not a tune on the old violin,  
Or listening to the whistling wind  
That's not what hippos do \*

\*They ooze through the goose without any shoes  
They wade through the water 'til their lips turn blue  
That's what hippos do\*

Shhh!

What can make a hippopotamus smile?  
What can make him walk for more than a mile?  
It's not a party with a paper hat,  
Or a bag of candy that'll make him fat  
That's not what hippos do \*

### Homeward Bound

In the quiet, misty morning  
When the moon has gone to bed  
When the sparrows stop their singing  
And the sky is clear and red

When the summer ceased its gleaming  
When the corn is past its prime  
When adventures lost its meaning  
I'll be homeward bound again \*

\*Bind me not to the pasture  
Chain me not to the plow  
Set me free to find my calling  
And I'll return to you somehow\*

If you find it's me you're missing

If you're hoping I'll return  
To your thoughts I'll soon be listening  
In the road I'll stop and turn

Then the wind will set me racing  
As our journey nears its end  
In the path I'll be retracing  
When I'm homeward bound again \*

In the quiet misty morning  
When the moon has gone to bed  
When the sparrows stop their singing  
I'll be homeward bound again

### Hosea

Come back to me with all your heart  
Don't let fear keep us apart  
Trees do bed though straight and tall  
So must we to others call \*

\*Long have I waited for your coming home to me  
And living deeply our new life\*

The wilderness will lead you  
To the place where I will speak  
Integrity and justice  
Tenderness you shall know \*

You shall sleep secure with peace  
Faithfulness will be your joy \*

### The House at Pooh Corner

Christopher Robin and I walked along  
Under branches lit up by the moon  
Posing our questions to Owl and Eeyore  
As our day disappeared all too soon  
But I've wandered much further today than I should  
And I can't seem to find my way back to the wood

So help me if you can I've got to get  
Back to the house at Pooh Corner by one  
You'd be surprised there's so much to be done  
Count all the bees in the hive  
Chase all the clouds from the sky  
Back to the days of Christopher Robin and Pooh

Winnie the Pooh doesn't know what to do  
Got a honey jar stuck on his nose  
He came to me asking help and advice  
And from here no one knows where he goes  
So I sent him to ask of the Owl if he's there  
How to loosen the jar from the nose of a bear

#### Chorus

It's hard to explain how a few precious things  
Can follow throughout all of our lives  
After all's said and done, I was watching my son  
Sleeping there with the bear by his side  
So I tucked him in, I kissed him and as I was going  
I could swear that old bear whispered  
"Boy, welcome home"

Believe me if you can I've finally come  
Back to the house at Pooh Corner by one  
What do you know, there's so much to be done  
Count all the bees in the hive

Chase all the clouds from the sky  
Back to the days of Christopher Robin  
Back to the ways of Christopher Robin  
Back to the days of Pooh

### Ho, Young Rider

Ho, young rider, apple-cheeked one,  
Wither riding  
On your steed so black and prancing  
Wither riding  
What matters where I ride?  
Slovak mountains are my pride  
Du-shamoyah, du-shamoyah, hey!

Ho, young rider, apple-cheeked one  
Wither roaming  
On your steed so black and prancing  
Wither roaming  
What matters where I roam,  
Slovak mountains are my home  
Du-shamoyah, du-shamoyah, hey!

### The Human Touch

It's the human touch in this world that counts  
The touch of your hand in mine  
It means far more to this fading heart  
Than shelter, bread, or wine  
The shelters' gone when the night is ore  
The bread lasts only a day  
But the touch of hand and the sound of your voice  
Rings on in my heart always  
May the road rise up to meet you  
May the wind be always at your back  
May the sun shine warm upon your face  
And the rain fall soft upon your fields  
Until we meet again someday  
May God hold you in the palm of her hand  
May the memories that we have shared  
Linger on and on

### Humpty Dumpty

\*Hump-ty Dump, Hump-hump-ty dump-ty dump-ty  
Hump-ty Dump, Hump-hump-ty dump-ty dump-ty\*

(Insert first three lines of a nursery rhyme, followed  
by "Ooh, ain't that funky now...")

for example: Jack and Jill went up the hill  
to fetch a pail of water,  
Jack fell down and broke his crown and  
Ooh, ain't that funky now... \*

Three dances that accompany the chorus:

-the lawn mower  
-the sprinkler

-the karate kid (wax on, wax off, paint the fence (2x), catch  
that fly (2x), crane (2x)

### I Don't Care if I Go Crazy

I don't care if I go crazy, 1 2 3 4 5 6 switch  
Crazy go I if care don't I, 6 5 4 3 2 1 switch

### If All the Raindrops

If all the raindrops were lemon drops and gum drop  
Oh what a rain it would be  
I'd stand outside, with my mouth open wide  
Going "AA Aa-aa aa aa-aa aa aa-aa aa"  
If all the raindrops were lemon drops and gum drops  
Oh what a rain it would be!

If all the snowflakes were candy bars and milkshakes  
Oh what a snow it would be!  
I'd stand outside, with my mouth open wide  
Going "AA Aa-aa aa aa-aa aa aa-aa aa"  
If all the snowflakes were candy bars and milkshakes  
Oh what a snow it would be!

If all the sunbeams were jellybeans and ice cream  
Oh what a sun it would be!  
I'd stand outside, with my mouth open wide  
Going "AA Aa-aa aa aa-aa aa aa-aa aa"  
If all the sunbeams were jellybeans and ice cream  
Oh what a sun it would be!

If all the hailstones were gummy bears and Sno-Cones  
Oh what a hail it would be!  
I'd stand outside, with my mouth open wide  
Going "AA Aa-aa aa aa-aa aa aa-aa aa"  
If all the hailstones were gummy bears and Sno-Cones  
Oh what a hail it would be!

### If I Had a Hammer

If I had a hammer, I'd hammer in the morning  
I'd hammer in the evening, all over this land  
I'd hammer out danger, I'd hammer out warning  
I'd hammer out love between my brothers  
And my sisters all over this land  
Ooooooh

If I had a bell, I'd ring it in the morning  
I'd ring it in the evening, all over this land  
I'd ring out danger, I'd ring out warning  
I'd ring out love between my brothers  
And my sisters all over this land  
Ooooooh

If I had a song, I'd sing it in the morning  
I'd sing it in the evening, all over this land  
I'd sing out danger, I'd sing out warning  
I'd sing out love between my brothers  
And my sisters all over this land  
Ooooooh

Now I have a hammer, and I have a bell  
And I've got a song to sing all over this land.  
It's the hammer of justice  
It's the bell of freedom  
It's the song of love between my brothers  
And my sisters all over this land  
Ooooooh

### If You Love Me

If you love me, if you love love love me  
Plant a rose for me  
And if you'll love me for a long long time  
Plant an apple tree

So whether I stay, or whether I go  
You'll have an apple or you'll have a rose  
So if you love me, if you love love love me  
Plant a rose for me

### I Love the Mountains

I love the mountains, I love the rolling hills  
I love flowers, I love the daffodils  
I like the fire side when all the lights are low  
Boom-di-yada, boom-di-yada, boom-di-yada, boom-di-yada

### I'm a Little Dinosaur

I'm a little dinosaur, I'm a little dinosaur  
I'm a little dinosaur and I'm planning to go away

I am real old don'tcha know  
Born ten million years ago/ but the people here  
Don't love me so  
I'm planning to go away

The children on their lawns will wake up and wonder  
Where I've gone  
And the flies that buzzed around where I used to pee  
Are gonna have to get along without me

They'll say "where's that little dinosaur?" (where'd he go?)  
"Where's that little dinosaur? He must have gone away."

Oh no, please don't go  
Oh no, please don't go  
Don't go little dinosaur  
Please don't go away

Well ok, I'll come back!  
o-oh you know I'm back to stay  
for I'm just a little dinosaur  
and I could never really go (No!)  
Never really go (He's back!)  
Never really go away

### I'm a Nut

I'm a little acorn brown  
Lying on the cold, hard ground  
Everybody steps on me,  
That is why I'm cracked you see \*

\*I'm a nut (click, click)  
I'm a nut (click, click)  
I'm crazy (click, click)\*

Called myself on the telephone,  
Just to see if I was home  
Asked myself out on a date  
Set the time for half-past eight \*

Took myself to the picture show  
Sat myself in the very last row  
Wrapped my arms around my waist  
Got so fresh I slapped my face!

### I'm On My Way

I'm on my way, to the freedom land (repeat 3x)  
I'm on my way, oh yes, I'm on my way!

I asked my brother, wontcha come with me (repeat 3x)  
I'm on my way, oh yes, I'm on my way!

I asked my sister, wontcha come with me (repeat 3x)  
I'm on my way, oh yes, I'm on my way!

I'm on my way, oh yes, I'm on my way!

(a repeat song)

### I'm Up Right

I'm up right, in right, out right, down right  
Happy all the time

The birds their songs they sing,  
Throughout the woodland green

I'm up right, in right, out right, down right  
Happy all the time

### Is There Any Reason

Is there any reason to be in such a mood alone?  
Is there any reason to be in such a mood alone?  
Sitting alone on a log on a hill far away  
Sitting alone you don't find very much left to say  
La-la-la-la-la-la-la-la-la-la-la-la (2x)  
Is there any reason to be in such a mood alone?

### I Understand

I understand, just how you feel, my dear  
My love for you has been unreal  
It's over now, but it was grand, my dear  
I understand, I understand

Should you ever change your mind, my dear  
Come back to me, and you will find  
Me waiting there to take your hand, my dear  
I understand, I understand  
(To be sung simultaneously with Auld Lang Syne)

### I Want To Be Strong

\*Well, I want to be strong  
To be, strong as the land around me  
I want a heart that's as wide as the sky  
I want a spirit like a moving mountain stream  
I want to look people straight in the eye\*

Walking along beneath a canopy of clouds  
Feeling like a stranger in the midst of a crowd  
I know that something great is calling me out loud  
I know that I must choose \*

I know that in this world there's hunger and there's hate  
But if we care it's not too late  
A loving, laughing world, we'll be able to create  
Underneath the endless sky \*

### I Won't Grow Up!

I won't grow up (repeat)  
I don't want to go to school (repeat)  
Just to learn to be a parrot (repeat)  
And recite a silly rule (repeat)  
If growing up means it would be  
Beneath my dignity to climb a tree,  
I'll never grow up, never grow up, never grow up  
Not me! (Not I) Not me, so there! \*mlaaah!\*

I won't grow up (repeat)  
I don't want to wear a tie (repeat)  
Or a serious expression (repeat)  
In the middle of July (repeat)  
And if it means I must prepare  
To shoulder burdens with a worried air,  
I'll never grow up, never grow up, never grow up  
Not me! (Not I) Not me, so there! \*mlaaah!\*

I won't grow up (repeat)  
Not a penny will I pinch (repeat)  
I will never grow a mustache (repeat)  
Or a fraction of an inch (repeat)  
Cause growing up is awfuller  
Than all the awful things that ever were  
I'll never grow up, never grow up, never grow up  
Not me! (Not I) Not me, so there! \*mlaaah!\*

### Jamaican Farewell

Down the way where the lights are gay  
And the sun shines brightly on the mountain tops  
I took a trip on a sailing ship  
And when I reached Jamaica, I made a stop \*

\*But I'm sad to say, I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little boy back in Kingston town\*

Sounds of laughter are everywhere  
And the dancers swinging to and fro  
I must declare that my heart is there  
Though I've been from Maine to Mexico \*

Down at the market, you can hear  
Ladies cry out while on the heads they bear  
Ackie rice, salt fish are nice  
And the rum (mangoes are) is fine anytime of year \*

### Jambalya

Goodbye Joe, me gotta go, me oh my oh,  
Me gotta go pole the pirogue down the bayou,

Run and jump and skip and fall  
You think you're tall but you're so small  
Oh mama calls for supper, no more play  
Soon comes tomorrow, it'll be another day

Chorus:

Singing hey la de da  
Oh la de de  
Oh le oaten doen, ollyoxinfree  
Oh I can run faster than Jimmy Brown  
I'm the king of the mountain  
And you'll never get me down

Up bright and early, got a lot to do  
Gonna build a castle and go to the zoo  
And visit Mother Goose in storybook land  
Why does Mommy hold my hand?

Chorus

I'm real old now five and a half  
Gonna be like Daddy and never laugh  
'Cause when you're old you've gotta be strong  
You're not a child for very long

Chorus

I'm full grown now on my own  
Oh how I wish I could go back home  
And play all day with my old friends  
Why does childhood have to end?

Chorus

Eating all the gum drops he can see  
Stop, Kookaburra, stop Kookaburra  
Save some there for me!

La Haina

I was sitting at a table in an open café, waiting for a drink of  
tea  
When I asked the waiter for the time of day  
He said, “Look out, there’s a centipede a-comin’ your way!”

\*

\*In La Haina, sugar cane grows, in La Haina, livin’ is slow  
in La Haina, the mangoes grow sweet,  
But the centipede she crawls all over your feet!  
Bah-dah-dah-dum bum bum bah-dah-dum  
Bah-dah-dah-dum bum bah-dum! In La Haina! (repeat)\*

I was laying by the water in the morning sun, shaded by a  
coconut tree,  
When I turned around it was all I could see,  
There was a great big a-centipede a-starin’ at me! \*

I had only a second to decide what to do, while staring at it’s  
poisonous fangs  
When I said I thought it was a beautiful day, he said,  
“Hey lady don’t ya think you’re pulling my leg?” \*

Leavin' On a Jet Plane

My bags are packed, I'm ready to go  
I'm standing right outside your door  
I hate to wake you up to say good-bye  
But the dawn is breaking, it's early morn  
The taxi's waiting, he's blowing his horn,  
Already I'm so lonesome I could die...\*

\*So kiss me and smile for me,  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause I'm leaving on a jet plane,  
Don't know when I'll be back again  
O babe I hate to go\*

There's so many times I let you down  
So many times I played around  
I tell you now that they don't mean a thing  
Every place I go, I'll think of you  
Every song I sing, I'll sing for you  
When I come home, I'll wear your wedding ring...\*

Well now the time has come to leave you  
One more time, please let me kiss you,  
Then close your eyes and I'll be on my way  
Dream about the days to come  
When I won't have to leave you alone  
About the times when I won't have to say...\*

Let Me See Your...

Let me see your *Frankenstein*  
What's that you say?  
I said let me see your *Frankenstein*

What's that you say?

I said ooh ah-ah-ah, ooh ah-ah-ah, ooh ah-ah (2x)  
(replace italicized word Tarzan, John Travolta, etc. with  
hand motions and act like the character)

Like A Ship in the Harbor

Like a ship in the harbor  
Like a mother and child  
Like a light in the darkness  
I'll hold you awhile  
We'll rock on the water  
I'll cradle you deep  
And hold you while angels  
Sing you to sleep

Linger

Mmmm, I wanna linger  
Mmmm, a little longer  
Mmm, a little longer here with you

Mmmm, it's such a perfect night  
Mmmm, it doesn't seem quite right  
Mmmm, that it should be my last with you

Mmmm, and some September  
Mmmm, I will remember  
Mmmm, our camping days and friendships true

Mmmm, and as the years go by  
Mmmm, I'll think of you and sigh  
Mmmm, this is good-night and not good-bye

### Little Canoe

Just a boy and a girl in a little canoe  
With the moon shining all around  
They paddled their paddles so  
You couldn't even hear a sound  
And they talked and they talked till the moon grew dim  
He said you better kiss me or get out and swim  
So what 'cha gonna do in a little canoe  
With the moon shining all a, boy swimming all a,  
Girl paddling all around

### Little Cottage

Little cottage in the woods  
Little man by the window stood  
Saw a rabbit hopping by  
Knocking at his door  
"Help me, help me, Help!" He said  
"Or the hunter will shoot me dead."  
"Come little rabbit, come inside.  
Safely you'll abide."

(Keep singing, omitting the words to a line at a time,  
continuing on with the motions)

### Little Drop of Dew

(high part and low part)  
Little drop of dew of dew, like a gem you are,  
I believe that you must have been a star  
  
When the morn is light, on the grass you lie  
Tell me then at night are you in the sky?  
  
Little drop of dew of dew, like a gem you are,  
I believe that you must have been a star

### Little Green Frog

Mmm-ah went the little green frog one day  
Mmm-ah went the little green frog  
Mmm-ah went the little green frog one day  
And they all went mmm-mmm-ah!  
  
Now all those frogs go la-dee-da-dee-da  
La-dee-da-dee-da  
La-dee-da-dee-da  
Now all those frogs go la-dee-da-dee-da  
Instead of mmm-mmm-ah

### Little Red Caboose

Little red caboose, chug chug chug  
Little red caboose, chug chug chug  
Little red caboose behind the train, train, train, train  
Smoke stacks on his back, back, back, back  
Comin' 'round the track, track, track, track  
Little red caboose behind the train  
Whoo-whooh

### Lollipop Grace

We thank the earth for a hundred things  
For the flowers that bloom and the birds that sing  
For the sun that shines and the rain that drops  
For ice cream and raisins and lollipops

### Long John

Well I'm a long john  
And I'm a long time gone  
Like a fish in the canal  
With his long johns on

Glub, glub-glub, glub  
Glub, glub-glub, glub  
Glub, glub, glub, glub

(a repeat song)

(other suggested verses: seal/canal/arf, snake/grass/hiss,  
bear/woods/roar, etc.)

### Lullabye

Lull-a lull-a bye,  
Lull-a-bye, lull-a-bye  
Sweetly sing to a lull-lull-lull-lull-a-bye  
Lull-a-bye, lull-a-bye  
Sweetly sing to a lull-lull-lull-lull-a-bye

### Madeleine Grace

We love our bread, we love our butter  
But most of all, we love each other

### Magic

\*Magic is the sun the makes the rainbow out of rain  
And magic keeps the dream alive, to try and try again  
Magic is the love that stays, when good friends have to leave  
I do believe in magic I believe\*

When I was young I thought the stars were made for wishing  
on

And every hole deep in a tree must hide a leprechaun  
Houses all had secret rooms, if I could find the key  
I do believe in magic, I believe \*

Growin up, the grown-ups said, one day I'd wake to find  
That magic's just a childhood game, I'd have to leave behind  
Like clothes that did no longer fit, or toys that I'd ignore  
I'd not believe in magic anymore \*

Now I've grown old and learned again that much to my  
surprise

Magic did not fade away, it took a new disguise  
A childhood friend, a smile, a song, the courage to stand tall  
I do believe in magic after all

Magic is the sun that makes the rainbow out of rain  
And magic keeps the dream alive to try and try again  
Magic is the love that stays when good friends have to leave  
I do believe in magic,  
For love's the greatest magic,  
I do believe in magic, I believe

### Magic Melody

Here I stand, all alone upon a hill so high  
Gazing at the sky as clouds drift by  
And I hear a melody from my heart  
Leaves sing too, echoing my lovely melody  
And my longing to be free to roam  
In the sunlight of today and always  
Where I choose in the heather by the restless sea  
This my magic song my heart sets free  
I'm in love with the world  
I'm in love with the world

Rain may fall all around me and the sky show gray  
Comes again my melody to say  
I will see a rainbow smiling at me  
Bright hues there, splendor painted on an arc of blue  
And the morning sun peeks through to say  
Follow on to find the treasures of life  
All the way, yet another path another day  
Filled with promise and my magic song  
I'm in love with the world  
I'm in love with the world  
I'm in love with the world

### Make New Friends

Make new friends, but keep the old  
One is silver, and the other's gold

A circle's round, it has no end  
That's how long I want to be your friend

(a round, to be started after "Make New Friends")

### Make Your Own Kind of Music

Don't let anyone tell you  
There's only one song worth singin'  
They make try to tell you  
Cause it hangs them up, to see someone like you  
But you've gotta \*

\*Make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along, sings along\*

You're gonna be lonely  
The loneliest kind of lonely  
It may be rough goin'  
Cause to do your thing is the hardest thing to do  
But you've gotta \*

So if you cannot take my hand  
And if you must going  
I will understand, that you've gotta \*

## Mark Twain

- 1.) If I could be anything I wanted  
Anything under the sun  
I think I'd be the old steam-boat captain  
On the old Cotton Blossom #1, #1  
The old Cotton Blossom #1  
And I'd go Mark Twain up the river  
I'd go Mark Twain up and down  
I'd go Mark Twain up the river  
And I'd serenade the people back in town, back in town  
I'd serenade the people back in town.
- 2.) Same as first verse, except "old steam-boat captain,"  
it's the "old steam boat paddle" that goes "swish"
- 3.) "Whistle" instead of "captain" that goes "toot-toot"
- 4.) "Calliope" instead of "captain" that goes "who-who-who"

## Matilda the Gorilla

I had a pet gorilla  
Her name was Matilda  
Matilda used to sing songs everyday  
And this is what Matilda the gorilla would say:

Ooh, ooh, aah-aah  
Ooh, ooh aah-aah  
Ooh, ooh, aah-aah  
Ooh, ooh aah-aah

## May All Your Dreams

\*May all your dreams bloom like daisies in the sun  
May you always have stars in your eyes  
And may you not stop running, not until your race is won  
And may you always have blue skies\*

A dream is something all your own to keep within your heart,  
To build on when you're glad  
Or when your world has fallen apart  
A dream is something all your own that no one else can steal  
A dream is something you can make come real \*

You can share a smile with any stranger that you meet  
You can share your money with a beggar on the street  
But you can only share a dream when love has set it free  
Please won't you share yours with me \*

### May the Long Time Sun

May the long time sun shine upon you  
All the love surround you

Guide you all the way on

### Me and My Dinosaur

One day when the weather was cloudy and gray,  
And I wished that someone would come out and play!  
I heard a 'knock, knock' and I opened the door,  
And there stood the loveliest BIG! Dinosaur \*

\*Me and my dinosaur, I've never had such a friend before!  
Big as a house, twenty times and a half,  
And fifty times taller than ANY giraffe!  
Legs like sequoia trees, teeth big as piano keys!  
No two people are buddies more than me and my dinosaur!\*

I brought out some cookies and we had a snack,  
Then she said she's give me a ride on her back,  
I started to climb from her tail to her cheek,  
The whole darn trip took a year and a week! \*

We hop-scotched to Africa, quick as a breeze  
While leap-frogging over the coconut trees!  
Then we got thirsty after a while,  
In one great big gulp we just drank up the Nile! \*

### Mickey Mouse Roll Call

Who's the leader of the pack that's made for you and me?  
M-i-c-k-e-y M-o-u-s-e

People gather 'round and they all begin to shout \*

2.) What a dance do they do?  
Lordy how I'm tellin' you \*

They keep time by clappin' their hands \*

Mud, mud, mud, mud, mud  
Mississippi Mud

### Mister Moon

Mister Moon, Mister Moon, you're out too soon  
The sun is still in the sky  
Go back to bed and cover up your head  
And wait till the day goes by

From out the battered elm tree,  
The owl cries out, "Who's there?"  
And from the distant forest, the cuckoo answers clear

Cuckoo! Cuckoo! Cuckoo, cuckoo, cuckoo!  
Cuckoo! Cuckoo! Cuckoo, cuckoo, cuckoo!

### Moon on the Meadow

Moon on the meadow, bugs in our ears  
Smoke in our eyes, wet wood and tears  
On up the meadow, water somewhere  
We were the only ones there

Wild horse and Slushy, Dry Lakes, the Peak  
Finding a love that everyone seeks  
Hiking to Rainbows, Sunsets and Stars  
Just finding out who we are

We will return here some lucky day  
Our hearts will guide us, they know the way  
People in cities don't understand  
Falling in love with the land

Moon on the meadow, bugs in our ears  
Smoke in our eyes, wet wood and tears  
On up the meadow, water somewhere

With you my friend, I am there

(The capitalized words in the second verse are the  
names of units at another camp)

### Moonshadow

\*I'm being followed by a moonshadow,  
moonshadow, moonshadow  
Leaping and hopping on a moonshadow,  
moonshadow, moonshadow\*

And if I ever lose my eyes,  
All my colors, they run dry  
'Cause if I ever lose my eyes  
O-wee-ee-ee-wee ee ee ee  
I won't have to cry no more \*

And if I ever lose my hands,  
Lose my plow and lose my land,  
'Cause if I ever lose my hands  
O-wee-ee-ee-wee ee ee ee  
I won't have to work no more \*

And if I ever lose my legs,  
I won't cry and I won't beg,  
'Cause if I ever lose my legs  
O-wee-ee-ee-wee ee ee ee  
I won't have to walk no more \*

And if I ever lose my mouth  
All my teeth, North and South  
'Cause if I ever lose my mouth,  
O-wee-ee-ee-wee ee ee ee  
I won't have to talk—um um \*

But if I ever lose my friends,  
All my world comes to an end,  
If I ever lose my friends  
O-wee-ee-ee-wee ee ee ee  
I would never love no more.

### Moses Supposes

Moses supposes his toeses are roses  
But Moses supposes erroneously  
'Cause nobody's toeses are poses of roses  
Like Moses supposes his toeses to be  
Moses supposes his toeses are roses  
But Moses supposes erroneously

### Morning Star

Morning, morning  
Star, Star  
Here we go swimming and here we go sailing  
And morning, morning  
Star, Star  
(Draw a star with your finger)

### Mountain Girls

City girls, they wear those high heels  
Country girls, they do the same  
Mountain girls just wear their hiking boots,  
But they get there just the same.

City girls they wear that French perfume  
Country girls, they do the same  
Mountain girls just go au naturel  
But they get there just the same.

City girls they use those flush toilets  
Country girls, they do the same  
Mountain girls just find a friendly bush  
But they get there just the same

### Mountains High

- 1.) Mountains high, reaching for the sky  
That I can climb and find peace of mind
- 2.) Meadows green, tiny flowing streams  
To beautiful it seems, I dream, mountain dream
- 3.) Mountains high, reaching for the sky  
That I did climb and find peace of mind

### Murray the Rabbit Boy

\*Murray the rabbit boy, Murray  
Who?  
Murray the rabbit boy, Murray?  
What'd he do?  
He hops from place to place  
To save the human race  
Murray the rabbit boy, Murray\*

One day the rabbit and the boy were caught in a radiation  
storm

And when the clouds had lifted  
The boy had been transformed

The legend of Murray the rabbit boy has begun \*

Music alone shall live  
Music alone shall live, never to die

### My Babe

My babe she came in winter  
Like a seed sprouting under  
The dark earth's greeny cover  
Deep in the womb of the world.

Chorus:

Ooh la la ooh la oo la (x3)  
Oo la la ooo la la

My babe she sees like springtime  
Everything wildflowers,  
Blossoming in the morning  
she watches nature moving

Chorus

My girls she plays like summer  
Like an elf hiding under  
The green leaf, distant thunder,  
Cannot shake or surprise her

Chorus

My girl she leaves like autumn  
Dressed up in many colors  
She reaps the harvest we sowed  
It seems like so long ago

Chorus

My old mom's a farmer, now whadda you think about that?

And some day, if I can

Dip, dip and swing

\*So many times we've cared my summer friend  
The secrets that we've shared my summer friend  
And as surely as the sun will rise, you're always there for me  
My summer friend I know you'll always be\*

1.) The first days of my summer were so empty and alone  
I didn't have a friend to see me through  
When we first met we hit it off and summer changed it's tone  
And now I know I have a friend in you \*

2.) Through summer days we've shared our dreams, our  
secrets, and our fears  
And now I see a part of me in you  
I hope these days would never end because of you my friend  
How strong our love would be we never knew \*

3.) Summer's over and I never knew  
How quickly time would fly  
It seems our days together were so few  
Those happy days, those giving days I'll always keep in mind  
With memories that will keep me close to you \*

### 'Neath These Tall Green Trees

'Neath these tall green trees we stand  
Asking blessings from thy hand  
Thanks we give to thee above  
For thy health and strength and love

### No Bananas in the Sky

There are no bananas in the sky, in the sky (2x)  
There's a sun and a moon and a coconut cream pie,  
But there are no bananas in the sky, in the sky!

### Noodle Soup

Oh, I was born one night one morn  
When the whistle went too, toot  
You can bake a steam or fry a cake  
When the mud pies are in bloom  
Does six and six make nine?  
Does ice grow on a vine?  
Does Uncle Joe eat cheerios  
In the good old summer-time?  
Oh, loop the loop in the noodle soup  
Just give your socks a shine  
I'm the guilty judge, I stole the fudge  
Three cheers for old exsine  
I cannot tell a lie, I hocked an apple pie  
It's on a tree, beneath the sea,  
Above the great blue sky  
They call me King Napoleon  
But I'm not him at all  
I come from South Dakota  
Way down by old St. Paul  
I'll sue them all for slander  
I'll make them all repent  
For how can I be Bonaparte  
When I'm the president  
If Easter eggs don't shave their legs,  
Their children will have ducks  
Quack, quack, quack

I'd rather have a lemon pie than 47 bucks  
Way down in Barcelona  
They fell into the foamia  
Now that is all bologna  
Paterooski blow your horn  
Toot! Toot!

### Now All the Woods are Waking

Now all the woods are waking  
The sun is rising high  
Wake up now, Get up now,  
Before the dew is dry

### Oden

In the land of Oden  
There stands a mountain  
Ten thousand miles in the air  
From edge to edge, this mountain measures  
Ten thousand miles square

A little bird comes a-winging  
Once every million years or so  
Sharpens her beak on a stone  
And then quickly disappears

And when that mountain  
Has worn away  
This to eternity will be,  
But one single day

In the land of Oden  
There stands a mountain  
Ten thousand miles in the air

Oh Be Joyful

Oh, Gee, How Happy I Feel!

Oh, gee, how happy I feel  
I've got the rhythm of an automobile  
Don't have to worry where I get my next meal  
Cause I'm eating chicken and I don't have to steal  
Everything's just going my way  
Every dog's gotta have his day  
Well, I've had mine and I'm ready to say  
Everything, everything, everything, everything,  
Everything's going my way!

Well, my clothes are tailor made,  
And my shoes are patent leather  
All you gotta do is stitch yourself together  
Take a look at me, and Lordy, Lordy, Lordy!  
Everything's going my way!

When the bells are sweetly ringing, sweetly ringing  
Ding, dong, ding, dong, ding, dong

Oh Mr. Sun

Oh, Mr. Sun, Sun, Mr. Golden Sun  
Please shine down on me  
Oh, Mr. Sun, Sun, Mr. Golden Sun  
Hiding behind that tree  
Camp Robbinswold is a-waitin' for you  
So come on and do the things that you do  
Oh, Mr. Sun, Sun, Mr. Golden Sun  
Please shine down-on  
Won't ya shine down-on  
Please shine down-on me

Oh be joyful, oh be jubilant  
Put your sorrows far away  
Come rejoice and sing together this happy day

Oh be joyful, oh be happy on this day  
Oh be joyful, oh be joyful  
Oh be joyful on this happy day!

Old McDonald

Old McDonald had a farm, eyi-eyi-o  
And on that farm he had some *chickens*  
Eyi-eyi-o  
With a *bock bock* here, and a *bock bock* there  
Here a *bock*, there a *bock*, everywhere a *bock bock*  
Old McDonald had a farm, eyi-eyi-o

One Day

One day  
Walking in the sun  
We laugh  
Friendship has begun

Same day  
Talkin' in the sun  
Two there  
Becoming one

Time past

Friends part  
Friendship last  
Bound between hearts

Two together  
Two alone  
Love each other  
Find the way home

One day  
Forever long  
Builds a bond  
Forever strong  
(a repeat song)

One Finger, One Thumb

One finger, one thumb keep moving (3x)  
We'll all be merry and bright

One finger, one thumb, one arm keep moving, etc.  
Other possible motions to accompany singing: arm, leg, stand  
up sit down, nod of the head, etc.

One Tin Soldier

Listen children to a story  
That was written long ago  
'Bout a kingdom on a mountain  
And the valley folk below  
On the mountain was a treasure  
Buried deep beneath a stone  
And the valley people swore  
They'd have it for their very own \*

\*Go ahead and hate your neighbor,  
Go ahead and cheat a friend  
Do it in the name of heaven  
You can justify it in the end  
There won't be any trumpets blowing  
Come the judgment day  
On the bloody morning after...  
One tin soldier rides away\*

So the people of the valley  
Sent a message to the hill  
Asking for the buried treasure  
Tons of gold for which they'd kill  
Down the mountain came the answer  
"With our neighbors we will share  
All the secrets of our mountain  
All the riches buried there" \*

Now the valley cried with anger  
"Mount your horses, draw your swords"  
And they killed the mountain people  
So they won their just reward  
Now they stood beside the treasure  
On the mountain dark and red  
Turned the stone and looked beneath it  
"Peace on earth" was all it said \*

Now the mountain people's story  
Seems to me so very sad  
Not because they lost their treasure  
But because all others had  
Take a look down in the valley  
We could be the people there  
Seeking riches we abuse  
What little peace we still might share \*

## On My Honor

\*On my honor I will try  
There's a duty to be done, and I say "aye"  
There's a reason here for a reason above  
My honor is to try and my duty is to love\*

People don't need to know my name  
If I hurt someone, then I'm to blame  
If I help someone, then I've helped me  
And that's the way that it should be \*

I've tucked away a song or two  
If you're feeling low, there's one for you  
If you need a friend, then I will come  
There's plenty more where I come from \*

Come with me where a fire burns bright  
You can see much better by its own light  
You can find more meaning in a campfire's glow  
Than you'll ever find in a year or so \*

Friendship is the strangest thing  
If you keep it to yourself, no reward will it bring  
But you gave it away, and you give it to me  
And from now on great friends we'll be \*

We've got a promise to always keep  
We will sing, "Day is Done" before we sleep  
We are Girl Scouts together, and when we're gone  
We'll still be a-trying and a-singing this song \*

### On The Loose

1.) Have you ever a sunrise  
Turn the sky completely red?  
Have you slept beneath the moon and stars  
A pine bough for your head?  
Do you sit and talk with friends  
Though a word is never said?  
Then you're just like me and you've been on the loose \*

\*On the loose to climb a mountain  
On the loose where I am free  
On the loose to live my life the way I think my life should be  
For I've only got a moment and a whole world yet to see  
I'll be looking for tomorrow on the loose\*

2.) There's a trail that I'll be hiking  
Just to see where it might go  
Many places yet to visit,  
Many people yet to know  
So in following my dreams  
I will live and I will grow  
On a trail that's waiting out there on the loose \*

So in search of love and laughter  
I'll be traveling this land  
Never sure of where I'm going  
For I haven't any plans  
So in time when you are ready  
Come and join me take my hand  
And together we'll share life out on the loose \*

### Oyster Stew

One day I ordered an oyster stew, alone tee-hee alone  
And only one oyster loomed in view, alone tee-hee alone  
He winked at me and he blinked at me  
"I've been in many a stew," said he  
"But don't tell the chef that you saw me, alone tee-hee alone  
And maybe I'll go to the junior prom, alone tee-hee alone  
And maybe I'll sit by the chaperone, alone tee-hee alone  
And maybe somebody will wink at me  
And I will wink at them, tee-hee  
And then you'll know that I'll not be, alone tee-hee alone"

### Parting Wish

I'd like to share this parting wish with you  
Treasure all the friendships unto you  
Remember all the good times we've had here  
And don't forget them in the coming year

(a repeat song, repeat two times through, the last time, repeat  
the last line again)

### Paul's Lullaby

Sing your lullaby to the world, it's a happy song to know  
For the children need their sleep to grow  
Softly as the people sleep, the moon drifts through the sky  
And she sings to us all her lullaby

### Peace is the World Smiling

Peace is the world smiling  
Peace is a gentle dove,  
Peace is sharing, Peace is caring  
Peace is filling the world with love!

### Peace Like a River

I've got peace like a river (3x)  
In my soul, in my soul (2x)

I've got love like a mountain (3x)  
In my soul, in my soul (2x)

I've got joy like a fountain (3x)  
In my soul, in my soul (2x)

I've got peace like a river  
I've got love like a mountain  
I've got joy like a fountain  
In my soul, in my soul (2x)

### Percy the Pale Face Polar Bear

Way up in the land of ice and snow  
Where the temperature drops to forty below  
Who's the happiest one up there?  
It's Percy the pale face polar bear  
He sleeps all day and then at night  
He catches his fish by the pale moonlight  
Has no worries, has no cares  
He's Percy the pale face polar bear  
Then one day the hunters came  
They caught poor Percy by the snout  
Put him in a great big cage  
Percy howled, and he growled  
But he couldn't get out  
Now he's living in the zoo  
Funny thing he likes it too  
'Cause he met his girlfriend there  
And she loves Percy the pale face polar bear  
Who? Percy the pale face polar bear!

### Pink Pajamas

I wear my pink pajamas in the summer when it's hot  
I wear my flannel nighty in the winter when it's not  
And sometimes in the spring and sometimes in the fall  
I jump between the sheets with nothing on at all!

Glory, glory hallelujah!  
Glory, glory what's it to ya?  
Balmy breezes flowin' through ya,  
With nothing on at all!

### Pickin' Flowers

\*Pickin' flowers in the rain and  
laughing with the sun  
Trying to teach them how to live by themselves  
And still get things done \*

Gonna be a counselor at summer camp,  
Gonna find out what it's all about  
Little eyes will look up to you and  
Little hands will reach out \*

The days are long and the nights are short  
And the pay is so small  
We really don't know if what we say  
Sinks in at all \*

Build a fire, dig a trench,  
Sharpen an axe with a wet stone  
And maybe next time when we're not here  
They can do it all alone \*

And sometimes when things don't work out right  
And we think we're all flops  
They look up at us and they smile at us  
And ask us not to stop \*

When it's all over and it's time to leave  
We'll sit and think  
What parts of us do they take along?  
What part of them do they leave?

So that's why I'm here at this summer camp  
And I hope you feel the same way  
There's a lot to get, but there's much more to give  
And I hope you're here to stay \*

### Pirate Ship

When I was *one*  
*I sucked my thumb*  
The day I went to see  
I jumped aboard a pirate ship  
And the captain said to me,  
"We're going this way that way  
Forward backward  
Over the Irish Sea  
A juicy plum (a bottle of rum)  
To warm my tum  
The pirate's life for me"

### Plea for the World

A plea for on world is heard in many different lands  
These are the pleas of a world who is hungry for peace  
Let us all come together  
Let us live well together  
Striving to make the world better  
Pledging out lives to peace

### This Pretty Planet

This pretty planet, spinning in space  
Your garden, your harbor, your holy place  
Golden sun going down  
Gentle blue giants spin us around  
All through the night  
Safe to the morning light

### Princess Pat

The princess pat  
Light infantry  
She sailed across  
The seven seas  
She sailed across  
The channel two  
And she took with her  
A rickadandoo \*

\*A rickadandoo  
Now what is that?  
It's something made  
By the Princess Pat  
It's red and gold  
And purple too  
That's why it's called  
A rickadandoo\*

Now Captain Jack  
Had a mighty find crew  
He sailed across  
The Channel Two  
But his ship sank  
And yours will too  
If you don't take  
A rickadandoo \*

(a repeat song)

### Prunee

No matter how young a prune may be  
She's always getting wrinkles  
A baby prune is like her dad  
But she ain't wrinkled half as bad  
Now you have wrinkles on your face  
But prune has them everyplace!  
No matter how young a prune may be,  
She's always getting wrinkles

Little seed inside the pru-in  
Is it night or is it noo-in  
Whatch yo' name  
And Whatch yo' doin'  
Little seed inside the pru-in

No matter how young a prune may be  
She's always getting wrinkles

### Puff the Magic Dragon

Puff the magic dragon, lived by the sea  
And frolicked in the autumn mist  
In a land called Honalee  
Little Jackie Paper loved that rascal Puff  
And brought him strings and sealing wax  
And other fancy stuff

Together they would travel on a boat with billowed sail  
Jackie kept a lookout perched  
On Puff's gigantic bluff  
Noble kings and princes would bow whenever they came  
Pirate ships would lower their flags  
As Puff roared out his name

A dragon lives forever, but not so little boys  
Painted wings and giants' rings  
Make way for other toys  
One gray night it happened, Jackie Paper came no more  
And Puff that mighty dragon  
He ceased his fearless roar

His head was bent in sorrow, green scales fell like rain  
Puff no longer went to play  
Along the cherry lane  
Without his lifelong friend Puff could not be brave  
So Puff that might dragon  
Sadly slipped into his cave

### Purple Lights

For my three\*  
Good companions\*  
My banjo, my pony, and me, yee-haw!

1. Rub hands back and forth (wind)
2. Snap fingers lightly (light showers)
3. Slap knees softly (shower)
4. Slap knees harder (harder rain)
5. Stomp feet (cloud bursts)
6. Slap knees hard
7. Slap knees softer
8. Snap fingers lightly
9. Rub hands back and forth
10. Put hands over head to form the sun

### Rainbow Connection

Why are there so many songs about rainbows?

And what's on the other side?

Rainbows are visions, but only illusions,

Rainbows have nothing to hid

So we've been told and some choose to believe it

I know they're wrong, wait and see

Someday we'll find it, the rainbow connection

The lovers, the dreamers and me

Who said that every wish would be heard and answered

And wished on the morning star?

Somebody thought of that and someone believed it

And look what it's done so far

What's so amazing that keeps us star gazing

And what do we think we might see?

Someday we'll find it, the rainbow connection

The lovers, the dreamers, and me

Have you been half asleep and have you heard voices

When I've heard them calling my name?

Is this the sweet sound that calls the young sailors

The voice might be one and the same

I've heard it too many times to ignore it

It's something that I'm supposed to be

Someday we'll find it, the rainbow connection

The lovers, the dreamers and me

La deed a, la dee da doo

The lovers, the dreamers and me

### Raisin Song

Lay some happiness on me

Give me raisins and I'll be

So much happier, you'll see

Lay some happiness on me

I think raisins are just dandy  
A natural energy treat, oh boy!

Raisins are as good as candy

'Bout as good as fruit, so...

(Chorus)

### A Ram Sam Sam

A ram sam sam, a ram sam sam

Goolie, goolie, goolie, goolie, goolie, ram sam sam

A raja, a raja

Goolie, goolie, goolie, goolie, goolie, ram sam sam

### Rare Bog

\*(together) Rare bog, the rattlin' bog  
Way down in the valley-oh  
Rare bog, the rattlin' bog  
Way down in the valley-oh\*

(echo) And in that bog  
There was a tree  
A rare tree  
A rattlin' tree  
And the tree's in the bog  
And the bog's down in the valley, Oh! \*

And on that tree, there was a limb...  
And on that limb, there was a branch...  
And on that branch, there was a twig...  
And on that twig, there was a leaf...  
And on that leaf, there was a nest...  
And in that nest, there was an egg...  
And in that egg, there was a chicken...  
And on that chicken, there was a feather...  
And on that feather, there was a tick...  
And on that tick, there was a speck of dust...  
And in that speck of dust, there was a whole new world...  
And in that whole new world, there was a Girl Scout camp...  
(in the last verse, instead of a "rattlin' Girl Scout camp,"  
it's a "rockin' Girl Scout camp")

### Reach

\*Reach up to the sky, and open up your eyes  
And, let your troubles fade away  
Dream those dreams today  
And melt your cares away  
And open up your heart and sing\*

Live your life for everyday  
The old one is gone,  
So don't let this one slip away, and... \*

### Reach for the Sun

Ride on the wind of a summer's day  
Ride on the wind and be a world away  
Reach for the sun and touch the moon too  
Reach for the sun and touch the moon

Find yourself before you run away  
Stand on the grass and watch the children play  
Their world is really half of yours, too  
Their world is really half of yours

Where 'ere you go be sure to see the sky  
Don't let your only chances pass you by  
Reach for the sun and touch the moon, too  
Reach for the sun and touch the moon

### Red Balloon

1.) Give me a red balloon on a long black string  
I'll be richer than any king  
With my red balloon on a long black string  
I can whistle and I can sing \*

\*Laughs are many and tears are few  
Life's exciting and always new  
In a world of girls and boys  
In a world of simple joys\*

2.) Give me a paper kite on a windy day  
Oh I think I'll fly away  
With my paper kite on a windy day  
Oh yes, I'll fly away \*

3.) Give me a warm spring day and an apple tree  
There's nothing that I can't see  
When I looked out from my apple tree  
Look up there and you'll see me \*

4.) Give me a blue C-Lark and a windy day  
And I think I'll sail away  
In my blue C-Lark on a windy day  
Oh yes, I'll sail away \*

With these friends there's joy I know  
That when they're gone and far apart  
There's still joy beneath our hearts \*

6.) Give me a summer camp and the campers there  
We'll explore with friends who care  
On the rocky shores of Robbinswold  
Memories in my heart I'll hold \*

7.) Skies are blue and the trails are long  
Joy and love ring in our song

In a world of friendship true  
In a world I share with you \*

### Red River Valley

From this valley they say you are going  
We will miss your bright eyes and sweet smile  
For they say you are taking the sunshine  
Which has brightened our pathway a while \*

\*Come and sit by my side if you love me  
Do not hasten to bid me adieu  
But remember the Red River Valley  
And the one who has loved you so true\*

Won't you think of the valley you're leaving  
Oh, how lonely, how sad will it be?  
Oh, think of the fond heart you're breaking  
And the grief you are causing to me \*

As you go to your home by the ocean  
May you never forget those sweet hours  
That we spent in the Red River Valley  
And the love we exchanged 'mid the flowers \*

### Red Wagon

You can't ride my little red wagon  
Front wheel's broken  
And the back wheel's dragging  
Slug! Slug! Slug, slug, slug!

### Rover

See the clouds rolling on their way  
See the stars shining so gay  
Hear the wind in the tall pine trees  
And you'll know exactly why I'm free

Chorus:

I am a rover rolling along  
Rover, singing a song  
I am a rover until the day I die

Have few friends but they are true  
A mountain, flower and a sky so blue  
I am a wanderer, never standing still  
And I must go onward to those hills

Chorus

Through this land I'm bound to roam  
Without a friend, a fire or a home,  
But I have a friend that is true,  
And that, my comrade, that is you

Chorus

### Rhymes and Reasons

So you speak to me of sadness  
And the coming of the winter, the  
Fear that is within you now, it  
Seems to never end. And the  
Dreams that have escaped you  
And the hopes that you've forgotten  
And you tell me that you need me now  
And you want to be my friend

And you wonder where you're going  
Where's the rhyme and where's the  
Reason, and it's you who can't accept  
It is here we must begin  
To seek the wisdom of the children  
And the graceful way of flowers in the wind  
For the children and the flowers are our sisters and  
Our brothers, their laughter and  
Their loveliness could clear a cloudy  
Day. Like the music of the mountains  
And the colors of the rainbow they're  
A promise of the future and a blessing  
For today.

### Rice Crispies

Snap now, snap now, snap's the sound  
You gotta have snap or the world's not round  
I snap, you snap, we snap, they snap  
Snap! (pause, pause) Makes the world go round

Crackle, crackle, the crispy sound  
You gotta have crackle or the clock's not wound  
Geese cackle, feathers tickle, boys are fickle, have a pickle  
(pause) Crackle! (pause) Makes the world go round

I insist that pop's the sound  
You've gotta have pop or the world's not round  
Orange pop, grape pop, lemon pop, lime pop  
(pause, pause) Pop! Makes the world go round

Snap, crackle, pop rice krispie

Ride on the wind and be a world away  
Reach for the sun and touch the moon too

Stand in the grass and watch the children play  
Their world is really half of yours too  
Their world is really half of yours

3.) Where 'ere you go be sure to see the sky  
Don't let your only chances pass you by  
Reach for the sun and touch the moon too  
Reach for the sun and touch the moon

4.) Repeat verse 1

### Riverboat

\*No, I ain't gonna step down off that riverboat  
No, I ain't gonna step down off that riverboat  
'Cause if I step down off that riverboat  
Oh, I don't think that I'm gonna float  
'Cause there's mud just below that sparkling water  
Yes, there's mud just below that sparkling water  
And it's soft, soft, deep and warm  
Settled 'neath the river once in a storm  
Mud just below that sparkling water\*

Once had a daughter strong and fine  
Grew up said she didn't wanna be mine  
Said I understood and felt the same (2,3,4)  
Now she runs a school for girls  
Each one tougher than a redwood burl  
Growing up stronger than the world into which they came \*

When, oh when, will I ever learn  
It's not just fire that makes me burn  
It's not just ice that cools my flaming skin (2,3,4)  
But if I get caught it'll cook me good  
And that's not the road to sisterhood  
Where I'm going is the same as where I've been \*

### River of Life

I've got a river of life flowing out of me  
Makes the lame to walk and the blind to see  
Opens prison doors, sets the captives free  
I've got a river of life flowing out of me

Spring forth well inside my soul  
Spring forth a well, and make me whole  
Spring forth well, and let me see  
That life, which shines in me

### Robbinswold Goodnight Medley

#### *The Time Has Come:*

The time has come for me to say  
It has been a lovely day  
And the spirit dwelling in my heart  
Won't be leaving when the sun goes down  
So have a good night,  
Have a good night,  
Have a good night,  
Have a good night my dear

The time has come for me to say  
It has been a lovely day  
And the spirit dwelling in my soul  
Won't be leaving when the sun goes down  
So have a good night,  
Have a good night,  
Have a good night,  
Have a good night my dear friend

#### *Green Trees:*

Green trees around us, blue skies above  
Friends all around us,  
In a world filled with love

Taps sounding softly  
Hearts beating true  
As we all sing, good night to you

#### *Good night:*

Good night, good night  
As the evening shadows creep into the night  
With each living glowing ember  
There's a friendship to remember  
As we sing

#### *Taps:*

Day is done, gone the sun  
From the lakes, from the hills, from the sky  
All is well, safely rest,  
And good night

### Sarah the Whale

In Bristol Bay there was a whale  
She ate oysters by the pail  
By the thimble... by the teacup  
By the schooner full  
Her name was Sarah and when she smiled  
You could see her teeth for miles and miles  
And her tonsils... and her adenoids  
And things too fierce to mention!  
Now what would you do with a whale like that?  
What would you do if she sat on your hat?  
Or you toothbrush, or your counselor?  
Or other things like that

### Sarasponda

Sarasponda, sarasponda, sarasponda ret set set

With sardines, hey, and pork and beans,

### Second Story Window

The window, the window  
The second story window  
With a heave and a ho,  
And a mighty throw  
They threw it out the window

(Sing nursery rhymes to the tune)

Sea Fever

I must go down to the sea again  
To the vagrant gypsy life  
To the gull's way and the whale's way  
And the wind like a whetted knife  
And all I ask is a merry yarn  
From a laughing fellow rover  
And a long sleep and a sweet dream  
When the long trick's over

I must go down to the sea again  
For the call of the running tide  
Is a wild call and a clear call  
That may not be denied  
And all I ask is a windy day  
With the white clouds flying  
And the flung spray and the blown spume  
And the seagulls crying

I must go down to the sea again  
To the lonely sea and sky  
And all I ask is a tall ship  
And a star to steep her by  
And the wheel's kick and the winds' song  
And the white sails shaking  
And a gray mist on they seas' face  
And a gray dawn breaking

Shangy Mama

Shangy mama, shangy mama,  
Shangy mama, shangy mama (2x-low)

Shangy mama, shangy mama,

Terminah suzakah (2x)

Shooting Star

Please won't you catch a shooting star for me  
And take it with you on your way,  
Though it seems like we just met  
You're the one I won't forget,  
Hope some kind of wind blows you back my way.

Chorus:

And I was thinking maybe somewhere later down the road,  
After all our stories have been told,  
I'll sit and think of you,  
You're the dear friend I once knew,  
Shot through my life like a shooting star.

You are my dears, you're my bright and shining stars,  
You brighten each and every day,  
You are so near, yet soon you'll be so far,  
So why not hold my hand today?

Chorus

Sometimes I know that a part of you will show,  
Somewhere in my eyes or in my smile,  
They'll always be some part of you deep inside my heart,  
And I know just when to let it show.

### Chorus

#### Sing a Rainbow

Red and yellow and pink and green  
Purple and orange and blue  
I can sing a rainbow, sing a rainbow, sing a rainbow too  
Listen with your eyes  
Listen with your hearts

Red and yellow and pink and green

I can sing a rainbow, sing a rainbow, sing a rainbow too

#### Sing Me a Rainbow

\*Sing me a rainbow, paint me a dream  
Show me a world that I've never seen  
Whisper a sunset, and when you do  
You'll know how I feel, I say you'll know how I feel  
You'll know how I feel when I'm with you\*

...Walked into my life on such an ordinary day  
But it's been extraordinary since you've come my way  
There's nothing in this world that I can't do  
As long as you continue to... \*

...Brought something special to a life that was so plain  
Feelings that you've turned me onto I just can't explain

Something happens when I'm near you  
And I just can't wait to hear you... \*

#### Sing, Sing a Song

Sing, sing a song, sing out loud, sing out strong  
Sing of good things, not bad  
Sing of happy, not sad  
Sing, sing a song, make it simple  
To last your whole life long!  
Don't worry if it's not good enough  
For anyone else to hear  
Sing, sing a song!

(La, lalala, la lala, lalalala, la la la la la...)

Dong worry if it's not good enough  
For anyone else to hear  
Sing, sing a song!

#### Sing With Joy

Sing, sing with joy,  
Sing with joy that knows no end  
Sing, sing with love  
Welcome home my dearest friend  
Round, and round, and round, and round we go  
The love and laughter set your face a-glowing dear

(a round to be started after the first line)

#### Sisters Around the World

Sisters around the world, friendship across the sea  
We raise our voices high in harmony  
The world lies just ahead, the sun will shine  
In each and ever land, for all to find

There'll be many a road to travel, many a hill to climb  
I'm gonna reach that mountain top  
If it takes till the end of time!  
Boom, boom, boom

(repeat first verse)

### Skeeters and the Bedbugs

I woke up Sunday morning  
I looked up on the wall  
The skeeters and the bedbugs were having a game of ball  
The score was 6 to nothing, the skeeters were ahead  
The bedbugs hit a homerun and knocked me out of bed \*

\*Singin' ee-ner, mea-ner and a min-er mo  
Catch a wiper wopperby the toe  
And if he hollers, hollers, hollers  
Don't let him go  
Singin' ee-ner, mea-ner, and a mi-ner mo\*

I went downstairs for breakfast  
I ordered ham and eggs  
I ate so many pickles,  
The juice ran down my leg \*

### Skinny Dog

I've got a dog, skinny as a rail  
He's got fleas all over his tail  
Every time his tail goes pop  
The fleas on the bottom all hop to the top

### Slap, Bang!

Slap! Bang! Here we go again,  
Here we go again, here we go again  
Slap! Bang! Here we go again,  
Jolly good friends are we!  
We laugh, we sing  
We laugh, Ha! Ha! We sing, Tra la!  
Slap! Bang! Here we go again,  
Jolly good friends are we!

(can also be sung Bang, Slap!)

### Slick Chick

Oh I once had a chicken that wouldn't lay an egg  
So I poured hot water up and down her leg  
And the little chicken cried, and the little chicken begged  
And the gosh darn chicken laid a hard boiled egg!  
Boom diddly-ada, slick chick!

(colored dye/Easter egg, hot chocolate/Cadbury egg,  
DNA/dinosaur egg, etc.)

### Smile Awhile

Smile awhile, and give your face a rest  
Raise your hand to the one you love the best  
Then shake hands with the one nearby  
And greet them with a smile awhile

### Song for Judith

Sometimes I remember the old days,  
When the world was filled with sorrow  
You might have thought that I was living  
But I was all alone  
In my heart the rain was falling  
The wind blew, the night was calling  
Come back, come back  
I'm all you've ever known \*

\*Open the door and come on in  
I'm so glad to see you my friend  
You're like the rainbow  
Coming around the bend  
And when I see you happy  
Well, it sets my heart free  
I'd like to be as good a friend to you  
As you are to me\*

There are friends who could always see me  
Through the haze their smiles would reach me  
Saying okay, saying good-bye, saying hello  
Soon I knew what I was after  
Was life and love, tears and laughter  
Hello my good friend, hello my darling, what do you know?  
\*

I used to think it was only me  
Living alone, not feeling free

To be alive, to be your friend  
Now I know we all have stormy weather  
The sun shines through when we're together  
I'll be your friend right through the end

### Song of the Soul

Open mine eyes that I might see  
Glimpses of truth thou hast for me  
Open mine eyes illumine me  
Spirit Divine

Love of my life, I am crying  
I am not dying, I am dancing  
Dancing along in the madness  
There is no sadness

Only a song of the soul \*  
\*And we'll sing this song, why don't you sing along  
And we can sing for a long time  
Why don't you sing this song  
Why don't you sing along  
And we can sing for a long time\*

What do you do for a living,  
Are you forgiving, giving shelter  
Follow your heart, love will find you  
Truth will unbind you  
Sing out the song of the soul \*

Come to your life like a warrior  
Nothing will bore, you can be happy  
Let in the light it will heal you  
And you can feel you  
And sing out a song of the soul \*

### Southerly Wind

Oh a southerly wind and a cloudy sky,  
Proclaiming a hunting morning  
It's over the hills and away we fly  
No sleep my downy bed scorning  
To horse, my friend, and away  
Great Phoebus the hills adorning  
The face of all nature is gay  
It's a beautiful hunting morning  
Hark, hark follow! Tally-ho, tally-ho, tally-ho  
Hark, hark follow! Tally-ho, tally-ho, tally-ho

### Sparrow Song

(echo) Do you love me?  
Said the sparrow to the tree  
I will always  
Let you be what you must be \*

\*(together) In the autumn  
In the spring  
I will give you  
Songs to sing\*

(echo) Will you take me?  
Underneath your hallowed light  
And protect me  
Even through the darkest night \*

### Speckled Frogs

Five little speckled frogs, sitting on a hallow log  
Eating some most delicious bugs, yum yum!  
Once jumped into the pool, where it was nice and cool  
Now there are four little speckled frogs, ribbit ribbit!  
(Repeat counting down)

### Spider's Web

It's a web like a spider's web  
Made of silk and light and shadow  
Spun by the moon in my room at night  
It's a web made to catch some dreams  
Hold them fast till I awaken  
As if to tell me my dreams are all right

### Spirit Springing

What a spirit, spirit, springing round my head  
Makes me feel glad that I'm not dead  
What a spirit, spirit, springing round my head  
Makes me feel glad that I'm not dead

A-witchi-tie-tie-kee-mo-rye  
Ow-a-nicka, ow-a-nicka  
Hey-nay, hey-nay, noah (2x)

### Squirrel, Squirrel

Squirrel, squirrel, shake your bushy tail  
Squirrel, squirrel, shake your bushy tail  
Wrinkle up your little nose, stick it in between your toes  
Squirrel, squirrel, shake your bushy tail

### Starfish and Coffee

7:45, we stood in line for our teacher, Miss Kathleen  
First came Kevin, then came Lucy, third in line was me.  
All of us were ordinary, except for Cynthia Rose  
She always stood at the back of the line  
With a smile beneath her nose  
Her favorite number was 20, and every single day  
If you asked her what she'd had for breakfast,  
This is what she'd say: she'd say

#### Chorus:

Starfish and coffee, (clap) maple syrup and jam (clap clap)  
Butterscotch clouds, and tangerines,  
and a side order of ham (clap clap)  
and if you set your mind free, baby, maybe you'll understand  
starfish and coffee (clap), maple syrup and jam. (clap clap)

Cynthia wore a pretty dress with different colored socks  
Sometimes I wondered what was in her lunchbox.  
Lucy and I opened it when Cynthia wasn't around  
Lucy cried – I almost died! Do you know what we found?

#### Chorus

Cynthia wore a happy face just like the one she draws  
On every wall, of every school - but that's all right ,  
It's for a worthy cause!  
Singin':

Chorus (last line 2x, 2<sup>nd</sup> time slow)

### Super California Surfer

Because I was afraid to surf when I was just a lad,  
My father took away my board and told me I was bad  
(you're bad!)  
And then one day I heard the word that ever surfer knows,  
The longest word I ever heard and this is how it goes!

Oh! SuperCaliforniaSurferExpertOnTheOcean  
Even though the most of them do not wear suntan lotion  
If you hit a wave too hard, you're always in a motion  
SuperCaliforniaSurferExpertOnTheOcean!  
Hum-diddle-diddle-diddle Umm-diddle-aye  
Hum-diddle-diddle-diddle Umm-diddle-aye

### Superman Grace

We thank the earth for giving us food  
We thank the earth for giving us food  
For the friends we meet, and the food we eat  
We thank the earth for giving us food

Sweet Baby James  
(James Taylor)

There is a young cowboy who lives on the range  
His horse and his cattle are his only companions  
He works in the saddle and he sleeps in the canyons  
Waiting for summer his pastures to change  
And as the moon rises he sits by his fire  
Thinking about women and glasses of beer  
Closing his eyes as the doggies retire  
Sings out a song which is soft but is clear  
As if maybe someone could hear \*

\*Goodnight you moonlight ladies  
Rock-a-bye Sweet Baby James  
Deep greens and blues are the colors I choose  
Won't you let me go down in my dreams  
And rock-a-bye Sweet Baby James\*

The first of December was covered with snow  
So was the turnpike from Stockbridge to Boston  
The Berkshires seemed dreamlike on account of that frosting  
Ten miles behind me, and ten thousand more to go  
There's a song that they sing when they take to the highway  
A song that they sing when they take to the sea  
Maybe you can believe it if it helps you to sleep  
But singing works just fine for me

### Swinging Along

(low part) Swinging along, the open road  
Under a sky that's clear  
Swinging along, the open road  
In the fall of the year  
Swinging along, swinging along,  
Swinging along the open road  
All in the fall of the year

(high part) Swinging along the open road  
Swinging along under a sky that's clear  
Swinging along the open road  
All in the fall, in the fall of the year  
Swinging along, swinging along  
Swinging along the open road  
All the in the fall of the year

### Take Me Back

Take me back to the happy land  
Where the cotton candy grows  
Where the little marshmallows grow on the ground  
And the lollipops grow on the ground  
What? The lollipops grow on the ground?  
Yes, the lollipops grow on the ground!

### Taps

Day is done, gone the sun  
From the lakes, from the hills, from the sky  
All is well, safely rest  
And good-night

### Tarzan

Tarzan, swinging on a rubberband  
Tarzan, fell into a frying pan  
Ooh, that hurt  
Now Tarzan has a tan

Jane, cruisin' in her jet plane  
Jane, crashed into a traffic lane

Ooh, that hurt  
Now, Jane has a pain,  
Now Tarzan has a tan

(a repeat song, to the tune of Tongo)

### Tennessee Wiggle Walk

I'm a bowlegged chicken, I'm a knock-kneed hen  
Haven't been so happy since I don't know when  
I walk with a wiggle and a giggle and a squawk  
Doin' the Tennesse Wiggle Walk

Put your heels together and your knees apart  
Snap your fingers, ready and start  
Flap your elbows just for luck  
And you wiggle and you waddle like a baby duck  
Come dance with me, Baby, keep your toes in time

Haven't been so happy in a long, long time  
I walk with a wiggle and a giggle and a squawk  
Doin' the Tennessee Wiggle Walk  
Doin' the Tennessee Wiggle Walk

### Thank You Mother Earth

Thank you Mother Earth  
Thank you sister water  
Thank you for our births  
Thank you from your daughters

### Thank You My Friend

Thank you my friend  
For sharing with me  
Your love and your warmth  
I'm grateful you see  
For all of your wealth  
I never could find  
Best wishes in life  
Are born in the mind  
They grow 'til they light  
N some one in time  
And I've been made warm  
For friendship is mine  
For friendship is mine

### This Land is Your Land

\*This land is your land, this land is my land,  
From California, to the New York Island  
From the Redwood forest, to the Gulf Stream waters  
This land was made for you and me\*

As I was walking that ribbon of highway  
I saw above me, that endless skyway  
I saw below me, that golden valley  
This land was made for you and me \*

(descant over chorus)

This land is your land, this land is my land  
This land goes from the river to the sea  
I'm singin' this land is your land, this land is my land  
This land was made for you and me!

### Third Fence Post

I've been sitting here thinking about leaving  
When I wanted to stay the most  
So I went outside and left a piece of my heart  
Buried 'neath the third fence post

\*So when tomorrow morning comes I'll be smiling  
Though I might be a little down  
Though my body's leaving, I'll still be around\*

I was sitting here thinking about smiling  
And the warmth and the love that you give  
So I went inside your little house  
And felt glad this is how you live \*

I've been sitting here thinking about flowers and sunshine  
And the happiness of being alive  
Which means I'm thinking of you and the waters and the  
mountains  
And the plenty of warm open skies \*  
Though my body's leaving, I'll still be around

### Today

\*Today while the blossoms still cling to the vine  
I'll taste your strawberries, I'll drink your sweet wine  
A million tomorrows will all pass away  
Ere I forget all the joys that are mine today\*

I'll be a dandy and I'll be a rover  
You'll know who I am by the song that I sing  
I'll feast at your table, and sleep in your clover  
Who knows what tomorrow shall bring \*

I can't be contented by yesterday's glories

I can't live on promises winter to spring  
For now is my moment, today is my story  
I'll laugh and I'll cry and I'll sing \*

### Tomorrow Today

Haven't known each other long for time has just begun  
I'm discovering you and you're discovering me  
And, I like what I see  
I see two people laughing and sharing  
And giving up their time  
Risking their love, their pride their own  
But becoming much more whole inside \*

\*And when I think of you my heart sings with joy  
And laughter fills my mind  
You're the smile in my heart I've got a running start  
On the road to happiness  
One thing's for certain: I'll remember you  
My time with you will never end my friend  
For I've got you now as well as yesterday  
I promise you a piece of my tomorrow today  
Tomorrow today\*

You see yourself I ask nothing else I love true honesty  
I'll give you room to grow so that you're able to know  
You're special to me  
And when I see you change I won't rearrange  
Your life to be like mine  
You're one of a kind and like fruit on the vine  
You've opened up the world for me \*

I'm so proud to have you as my friend  
And I'm so thankful that you've chosen me

Chosen me

And when it's time to leave there will be a tear  
But it's one of gratefulness  
I'll be singing with joy that you've opened the door  
And opened me  
And some people say that our time is short  
And all good things must end  
But that isn't true because I'm giving to you  
A piece of my tomorrow too \*

Felt like having a little fun \*

Ch ch ch ch ch ch ch ch ch ch\*

2.) Woke up in the morning at a quarter to two  
Felt like trying something new \*

(make up verses)

True Blue Billy

I grew up in the mountains  
Up where the snakes have legs,  
Where the hoot owls speak in English  
And the roosters lay square eggs.  
I shaved my beard and moustache,  
The morning I was born,  
And then I wrestled my old man  
And I ate his rye and corn.

\*Oh, I'm a truthful fellow,  
They call me True Blue Bill  
I never told false said "no"  
And I bet I never will.  
Oh true-oo, blue-oo, Bill-ee\*

One day when I was flying  
In my aeroplane,  
I flew across to Paris  
And I started home again.  
When I got halfway back over  
The gosh darn motor balked  
So I let it just right sit up there  
And I got right out and walked. \*

One day when I was shipwrecked  
In Islands in the seas,  
I was captured by some cannibals  
And tied up to the trees.  
Oh they danced and beat their tom-toms  
(Do-do do do do, beat chest)  
And it got rather rough,  
But they said I would not make good steak  
Cause I was too gosh darn tough.

Oh the father of our country  
Could never tell a lie,  
And he was my great-uncle soooooo  
I ask you why should I?  
Oh, True-oo, Blue-oo, Bill-ee  
Oh-oh-oh True-oo, Blue-oo, Bill-ee

### Tuesday Song

Sunshine dancing on mountain tops  
Morning shadows seem to run away  
Music echoes from trees and rocks  
The whole world smiles 'cause it's Tuesday  
Doo doo doo, do do do do  
Do do do do do do do do do do do  
Doo doo doo, do do do do  
The whole world smiles 'cause it's Tuesday

### Turn, Turn, Turn (Pete Seeger)

\*To everything, turn, turn, turn  
There is a season, turn, turn, turn  
And a time for every purpose under heaven\*

A time to be born, a time to die  
A time to plant, a time to reap  
A time to kill, a time to heal  
A time to laugh, a time to weep \*

A time to build up, a time to break down  
A time to dance, a time to mourn  
A time to cast away stones  
A time to gather stones together \*

A time of love, a time of hate  
A time of war, a time of peace  
A time you may embrace  
A time to refrain from embracing \*

A time to gain, a time to lose  
A time to rend, a time to sew  
A time to love, a time to hate  
A time of peace, I swear it's not too late \*

## Tzena

Tzena, Tzena, Tzena, Tzena,  
Can't you hear the music playing  
In the village square? (2x)

Tzena, Tzena, join the celebration  
There'll be people there from every nation  
Dawn will find us dancing in the sunlight  
Dancing in the village square

## Under the Full Moonlight

Under the full moonlight  
We danced, spirits  
Danced we danced joining  
Hands we danced joining  
Souls, rejoice!

(a round to be started after "moon")

## Us Two

Wherever I am, there's always Pooh  
There's always Pooh and me  
Whatever I do, he wants to do,  
"Where are you going today?" says Pooh  
"Well, that's very odd 'cause I was too.  
Let's go together," says Pooh, says he.  
"Let's go together," says Pooh.

"What's twice eleven?" I said to Pooh  
"Twice what?" said Pooh to me

"I think it ought to be twenty-two."  
"Just what I think myself," said Pooh  
"It wasn't an easy sum to do,  
But that's what it is," said Pooh, said he.  
"That's what it is," said Pooh.

"Let's look for dragons," I said to Pooh.  
"Yes, let's," said Pooh to me.  
We crossed the river and found a few  
"Yes, those are the dragons all right," said Pooh.  
As soon as I saw their beaks I knew  
"That's what they are," said Pooh, says he.  
"That's what they are," said Pooh.

"Let's frighten the dragons," I said to Pooh.  
"That's right," said Pooh to me.  
"I'm not afraid," I said to Pooh  
And held his paw and I shouted "Shoo!"  
Silly old dragons—and off they flew.  
"I wasn't afraid," said Pooh, said he  
"I'm never afraid with you."

So wherever I am, there's always Pooh.  
There's always Pooh and me  
"What would I do?" I said to Pooh  
"If it wasn't for you," and Pooh said, "True,  
It isn't much fun for one, but two  
Can stick together," says Pooh, says he,  
"That's how it is," says Pooh.

### Walk With Me

\*So walk with me, and talk with me  
And say you'll be my friend  
And together we'll work out harmony  
On a road that'll never end\*

1.) Although our paths are different  
Just watch as they converge  
We've got a job to do together  
Our songs they must be heard \*

2.) Sister's for the summer  
That's what the children say  
But little do they know when we go away  
Our friendship will never fade \*

3.) So when you're down I'll build you up  
And when you're up I'll laugh with you  
And together we'll find a peace of mind  
That only true friends can find \*

### Watermelon Over My Grave

You can plant a watermelon over my grave  
And let the juice slip through  
You can plant a watermelon over my grave  
And that's all you have to do  
Girl Scout cookies taste so fine,  
But there's nothing like the taste of a watermelon rind...  
You can plant a watermelon over my grave  
And let the juice slip through
